TWINNING PROJECT TR 13 IPA NS 01 16 R
IMPROVEMENT OF THE NUCLEAR SAFETY
REGULATORY INFRASTRUCTURE OF TURKEY

Mission Report
ACT. 4.2
(Workshop 4)
„Development of a Training Module Safety Culture”

Mission carried out from
- 23th October – 26th October 2018

Date of Workshop:
- 23th October – 26th October 2018

Place of Workshop:
- TAEK Headquarters

Mission carried out by
- [Redacted], TÜV SÜD Industrie Service GmbH
- [Redacted], Gesellschaft für Anlagen- und Reaktorsicherheit (GRS) gGmbH
1. Executive Summary

This Mission Report was prepared within Twinning Project TR 13 IPA NS 01 16 R, entitled “Improvement of the Nuclear Safety Regulatory Infrastructure of Turkey”.

The fourth workshop under Activity 4.2 “Workshops” of Component 4 “Human Resources Management” was carried out. The conducted workshop was titled “Development of a Training Module Safety Culture”.

The present mission supplements the activities and results of the Activity 4.1 “Preparation of Nuclear Safety Department Human Resource Management System Manual” by providing input to the TAEK/DNS training plan.

During the four-day-workshop the structure and the content of a training module on safety culture for newcomers to the TAEK/DNS has been developed.

2. Team Members

The Mission was carried out by following Team Members:

- TÜV SÜD Industrie Service GmbH
- Gesellschaft für Anlagen- und Reaktorsicherheit (GRS) gGmbH

Participants of the Workshop:

Mr. Mustafa Vural (TAEK)
Mr. M. Kemal Öztas (TAEK)

3. Mission Results

The schedule of the workshop was as follows:

- Alignment of knowledge about Safety Culture and mutual understanding of the Safety Culture concept
- Clarification and definition of the scope of the training module
  - recipients of the training: Internal newcomer staff of the TAEK/DNS
  - goal of the training: provide basic knowledge on safety culture and take influence towards a safety related behaviour
  - intended method of the training: teacher centered class-room training plus discussion
  - length and frequency of the training: one day basic training, mandatory for all newcomers (once)
Based on the results of this discussion the content and the structure of the training module has been developed.

The content and the structure of the training module are given in Annex 1.

4. Conclusion

Workshop 4 titled “Development of a Training Module Safety Culture” under Activity 4.2 was conducted as planned in Operative Side Letter No. 5.

The team members thank TAEK and the Turkish counterparts for their great cooperation and open discussion on cultural issues and differences as well as their hospitality throughout the workshop 4 of Activity 4.2.
